

ACCESSIBILITY

The Palace at Playa Grande is a new luxury resort, located on the North Coast of the Dominican Republic. Surrounded by an unspoiled mountainous region, The Palace boasts its own 1000 feet of secluded, white sand beach along with carefully manicured lawns to create an experience incomparable to any other in the Caribbean. In a region that prides itself in luxury estates, The Palace keeps true to its name in being the one that stands out from the rest. The architecture and interior design features that The Palace offers will never be seen at a traditional resort, not to mention all of the amenities. The Palace is a one of a kind, magnificent experience where we give you the option of renting individual suites or exclusive resort rentals! Let's us show you how to get here.
